Welcome to Camp!

I'm coming to camp! Now what?

► First, let us begin by saying how EXCITED we are that you are going to be sharing camp with us! We are going to have a great time, share lots of adventures and meet some new friends! We can't wait to get to know you!

► As a matter of fact, we'd like to start getting to know you RIGHT NOW! Included with this letter, you will find a special form called...what else?...a **get-to-know-ya page!** Please fill it out and send it back to CAMP as soon as possible. This is an opportunity for you and your family to share any special information, ideas or concerns that will help us make your camp experience

the very best it can be. If you happen to misplace your form, you can download one from our website, www.okobojicamp.com.

Hang On! It's almost time for camp!

► Next, you'll find a "**Camper Health History & Authorization**" form, and a "**Release of Liability**" form included with this letter. These forms are both **RE-**

QUIRED to attend camp, and **must be signed by the participant's legal parent/guardian!** Again, if you misplace these forms, feel free to download them from our website. You can bring these forms with you to check-in, or you can mail them to camp ahead of time, whichever is most convenient for you.

► Now, all you have to do is keep looking forward to a wonderful time at camp! Look through the rest of this letter to find everything else you'll need to get ready!

What happens when I get to camp?

► You'll want to arrive at camp during your check-in time. There will be **TWO** tents you'll need to visit during check-in. At one, you'll meet the camp director, pick up your water bottle, **turn in your signed "Release of Liability"** form and meet your cabin leader.

► At this tent, parents/guardians will also receive your yellow **camper ID card**. This card

must be presented to camp staff at your check-out time in order to pick-up your camper.

► At the other tent, you'll find the camp health care manager. Here, you'll turn in your signed "**Health History & Authorization**" form, turn in any medications needed during camp, and be able to ask any health-related questions you may have.

► Feel free to arrive a bit early and explore the camp. Our friendly staff are available and will be happy to help answer questions and show you around the site.

► The camp store is also open during your check-in time.

► Remember, campers are required to be supervised by their parents or guardians until they are completely checked-in.
