Welcome to Camp!

I'm going to the Boundary Waters!

Now what?

- ▶ First, let us begin by saying how **EXCITED** we are that you are going to be sharing the Boundary Waters Canoe Trip with us! We are going to have a great time, share lots of adventures, enjoy the beauty of God's creation in this wilderness setting, meet some new friends and feed our spirits! We can't wait to get to started!
- ▶ As a matter of fact, we'd like to get started right away! Included with this letter, you will find three forms. Please fill them out as soon as possible, **no later than July 1st**, and send them back to camp. If you happen to misplace your forms, you can download them from our website, www.okobojicamp.com. Just follow the link at the top of the page, entitled "camps".
- ▶ Two of the forms you'll find included with this letter are the "**Camper Health History & Authorization**" form, and the "**Release of Liability**" form. These forms are both **REQUIRED** to attend camp, and **must be signed by the participant's legal parent/guardian!** Again, if you misplace these forms, feel free to download them from our website.
- ▶ The last form you will see is the "**Covenant Agreement**". This covenant outlines our promise to each other as we begin our boundary waters adventure. Please keep this covenant to bring with you on your trip. You will turn it into the group leader when you depart for your trip.
- ▶ Now, all you have to do is keep looking forward to a wonderful trip to the boundary waters! Look through the rest of this letter to find everything else you'll need to get ready!

What's the travel schedule?

- ▶ We'll be traveling through Iowa, to the boundary waters area, on your Saturday departure date. We will make stops along the route, to pick up participants, based on locations of those participants. You will be notified, no later than a week before departure, when and where you will be picked up. We will arrive at our outfitter's base that evening.
- ▶ Sunday morning, Day 2, our outfitter will transport us to our entry point to the boundary waters.
- ▶ Sunday through Thursday, Days 2 - 6, we will be enjoying the boundary waters area! This will be the heart of our adventure as we canoe, fish, swim, grow as a group, and take in God's beautiful creation!
- ▶ Thursday afternoon, Day 6, we will be picked up by our outfitter at our exit point, and head back to base.
- ▶ Friday, Day 7, will we head for home directly after breakfast. You will be dropped off in the same place where you were picked up.
- ▶ Friday and Saturday, rest, recoup, and share with friends and family about your amazing adventure!
